Kentucky Baptist Hunger Relief Testimonies

Your gifts to the Southern Baptist World Hunger Fund are making a real difference right here in Kentucky. Use the following testimonies to help your congregation make the connection between giving and the ministries they are helping!

"Eubank Baptist is extremely blessed to receive hunger funds. We distribute food to over 180 families on a monthly basis. Hunger funds help us minister to peoples' physical needs and gives us the opportunity to tell them about Jesus."

- Shelby Reynolds, Pastor, Eubank Baptist Church, Eubank

"Southern Baptist Hunger funds enhance Jefferson Street Baptist Center's ability to love the homeless in Jesus' name. Hunger funds from Kentucky Baptists helped us to serve over 50,000 meals to homeless men and women last year."

- Rick Brenny, Director, Jefferson Street Baptist Center, Louisville

"We are to be agents of transformation in our community -- feeding our neighbors physically, emotionally and spiritually. KBC hunger funds relieve some of the financial pressure by supplying the means to purchase food for our soup kitchen and emergency food pantry. This allows us to focus on the emotional and spiritual aspects of the ministry."

- Michele Ison, Ministry Director, New Life Baptist Church, Owensboro

"Our inner strength to continue comes from knowing God and our encouragement comes from knowing that other Christians are helping us by giving so that together we can meet needs of hurting humanity. When our needs exceed our local contributions we have been able to count on assistance from the World Hunger Fund through Kentucky Baptists. We feel so blessed to be in a situation of serving the needy and have the reassurance that Christian people care and help us help others."

- Arlene Miller, Director, IMPACT Ministry, Hopkinsville

"As a result of the food distribution through God's Appalachian Partnership, one lady who accepted Christ came in to let us know her husband had accepted Christ and has since got a job. Her words – 'I never knew it could be this good.' "

- Lynn Wagoner, Director, G.A.P., McDowell

"Because of hunger funds, our church is able to help 300 families per month with much needed food. This ministry to our community would not be possible without the help of Kentucky Baptist hunger funds. During the last three months, four people have accepted Christ and one family joined the church as a result of our hunger ministry. Thank you for supporting and making hunger funds possible."

- Roger Skipworth, Pastor, Calvary Baptist Church, Central City
